DE Series

Cold Water Pressure Washer

Electric Powered / Direct Drive Pump / Portable

The Shark DE is an electric powered cold water pressure washer designed to clean indoors or outdoor and is packed with industrial quality throughout. The DE is mounted on a cart and delivers cleaning power of up to 2000 PSI. It is loaded with ruggedness, including a steel chassis with a limited lifetime warranty, a premier pump with an industry-leading warranty, water-resistant electrical box with two-position rotary switch and a 36 ft. electrical cord with ground fault circuit interrupter for operator safety. Hose and wand hook is connected to the collapsible handle for the operator's convenience.

Easy-grip **chrome handle** with convenient **hose-and-gun rack** and **rear bumper** for ease in loading pressure washer into a vehicle

Easy-to-understand illustrated **operating instructions** for multi-lingual operator and owner protection

Heavy-duty, insulated trigger gun is rated for 4500 PSI and sports ergonomically design handle for hours of fatigue-free operation

Durable, triplex, oilbath, **high-pressure pump**, with three ceramic pistons and forged brass manifold, backed by an industry-leading warranty

50 ft. of wire-braid hose with safety hose guard for operator protection against bursts

Inlet filter screens debris from entering and damaging pump

Quick-release couplers between machine, hose and trigger gun with **tangle-free swivel crimp fitting** positioned on hose for ease of operation

Chrome plated **steel wand** has adjustable, easy-grip handle for hours of fatigue-free pressure washing.

Five conveniently mounted, **color-coded, stainless steel nozzles** for varying the fan spray and detergent injection

36 ft. electrical cord with ground-fault circuit interrupter for operator safety

Safety **thermal pump saver valve** protects against overheated-water damage by venting recirculated water

High-quality, tamper proof **unloader valve** for operational safety

Enclosed electrical box for two-position rotary on/off switch

Industrial-duty Baldor motor provides high performance of years of dependable service

Rugged chassis with limited lifetime warranty is made of 10-gauge steel and painted with black wrinkle paint for all-weather resistance; chrome handles are now standard

Vibration-absorbing 10" tubed **pneumatic tires** with steel wheels for all-terrain maneuvering

Easy-to-attach **downstream detergent injector** with brass soap nozzle

U-Seal Technology

Crankcase pumps now feature new U-Seal technology, giving pumps longer life and better performance.

Certified to UL-1776 Safety Standards

All Shark production plants are ISO 9001 certified

DE Portable cold-water washer ideal for indoor cleaning

Strength and safety are combined into this versatile high-pressure washer

The Shark DE series is a compact, electric driven, pressure washer line that is targeted towards both small and large businesses for indoor cleaning. They are ideal for in plant or agricultural applications where fumes and emissions from gas engines are not practical. The rugged chassis design and heavy duty components makes the DE Series perfect for the professional user.

DE-301007D with 2.8 gpm at 1000 psi

DETERGENTS Fast-cleaning, commercial-grade

Custom formulated especially for pressure washers

Shark's biodegradable detergents are highly concentrated to deliver an extra-fast and economical dimension to your cleaning effectiveness. Engineered specifically for use with hot and cold water pressure washers, Shark detergents are available in a variety of formulas and sizes to suit your cleaning needs and budget.

CYCLONE SURFACE CLEANER

Attaches to a pressure washer to clean flat surfaces faster

The optional Shark Cyclone attaches to a hot or cold water pressure washer (up to 175°F) to clean flat surfaces as much as three times faster than with a wand. Featuring a self-lubricating rotary union, the spray bar whirls at a rate of up to 2000 RPM. It's lightweight with a polyethylene housing and has two pneumatic tires and a sealed swivel caster for easy maneuvering in tight places.

WHY SHARK

Rental Tough

Originating over 20 years ago, Shark pressure washers were developed to withstand the most demanding environment - the rental industry - where durability and reliability are tested to the max. Today, Shark's dominating reputation for ruggedness and safety, as well as the strongest warranty offering in the cleaning industry, is recognized by a broad array of cleaning professionals and commercial contractors.

More than 80 hot- and cold-water models!

BENEFITS

Here are the Top 6 reasons Shark is America's #1 name in pressure washers

Shark's broad line of pressure washers and accessories allow customers to reap the benefits of a one-stop shop for pressure washer supplies, such as:

1. More than 40,000 different replacement parts and accessories in stock or ready to order when you need them most;

2. A huge selection of more than 80 hot- and cold-water pressure washers;

3. Competitive pricing on hoses, guns, wands, nozzles, repair kits, and pressure washer components;

4. Stainless steel coil wraps that now come standard on nearly all of our hot-water pressure washers;

5. A wide selection of detergents formulated specifically for pressure washers, including the new portion packs that come in self-dissolving bags for easy storing and mixing;

6. A handy and affordable Shark Parts Box that puts the most often needed pressure washer parts at your fingertips.
